Correspondence chain with Government letter o.677/Auz.CO-5-3 dated 4th November 1938 conveying approval of Government to the celebration of the "Mahamasthakabhisheka" ceremony to Sri Ganeshwaraswami at Aravanabelagola in January 1940 and calling for proposals for the conduct of the same.

2. Letter o.3.153/38-39 dated 19th January 1939 from the District Commissioner in Mysore submitting details of proposals for the conduct of the above ceremony.

Order No. 1311-13/1939 dated, Bangalore, 10th January 1939.

The Deputy Commissioner has received and is consulting the Swami, and that two committees be constituted in connection with these celebrations, one a religious committee consisting of eleven Jain devotees with the Swami as chairman, and another a general committee with 19 influential Jain scholars and officers with the Deputy Commissioner as chairman. (This list enclosed). It is suggested that the religious committee should be in charge of the arrangements for, and including the construction of scaffolding and the other work, and supervise all the religious functions. This committee should prepare an estimate of expenditure required and forward it to the general committee for incorporation in the general budget and for submission to the Chairman of the general committee for approval of the "Mahamasthakabhisheka" Fund and obtain the necessary sanction for expenditure from the general committee.

The General Committee should have a section of 15 or 20 members and may look to the arrangements for looking after the comfort of the public who gather during the celebrations. The Deputy Commissioner has further proposed that the Chairman of the general committee should be the Secretary, if the Chairman be unable to function he should be authorised to operate upon the "Mahamasthakabhisheka" Fund.

As regards the appeal for donations the Deputy Commissioner is of opinion that in view of the fact that the religious committee, it is approved that the appeal should be made by the religious committee.

The District Commissioner agreeing with the Deputy Commissioner recommends that approval of Government may be accorded to the formation of the two Committees with the personnel proposed in each and to the formation of a Fund called "the Mahavasthakashisheka Fund" in the Channarayana Taluk Treasury.

Government are pleased to approve of the recommendation of the District Commissioner.
